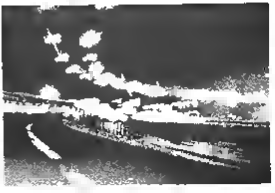
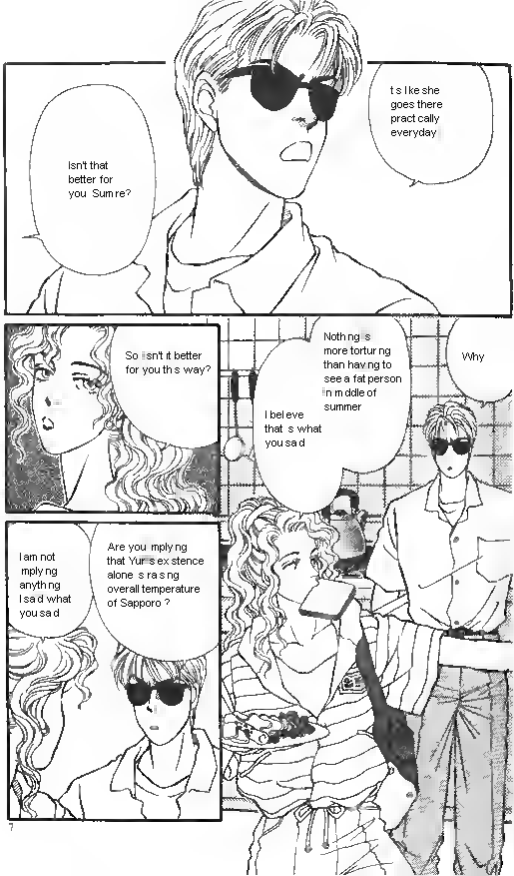
YOSHIMURA Akemi

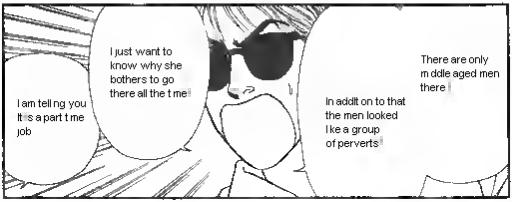
Episode 17
Nekokichi's
case.

Hey,
Has Yuri gone to that manga guy's place for cooking service again?
It looks like so





Isn't that better for you Sumire?
t s lke she goes there pract cally everyday
So isn't it better for you th s way?
Noth ng s more tortur ng than hav ng to see a fat person n m ddle of summer
I bel eve that s what you sa d
Why
I am not mply ng anyth ng I sa d what you sa d
Are you mply ng that Yur s ex stence alone s ra s ng overall temperature of Sapporo ?

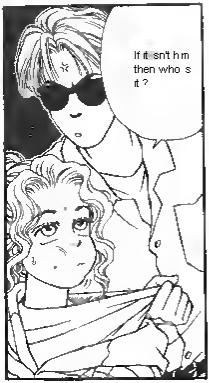


I am tell ng you It s a part t me job
I just want to know why she bothers to go there all the t me !
There are only m ddle aged men there !
In addlt on to that the men looked l ke a group of perverts !

Janimes
www janimes com

Yes
He does
The dude s a mangaka who s so stressed out with deadl nes
I bet he doesn't even have the strength to carry Yur
Noth ng s gonna happen
If someth ng unpleasant ever happens
Anyway
Hey
Don't tell me that Yur s secret lover s
that mangaka
Say whoa ?

I cannot forgive him !
I sure did
You've said that there is someone Yuri loves !
Isn't that right ?
Idiot the one who Yuri loves s
He lets her cook for him before marriage !?
Ah



If it isn't him then who's it?

Yum
Yum

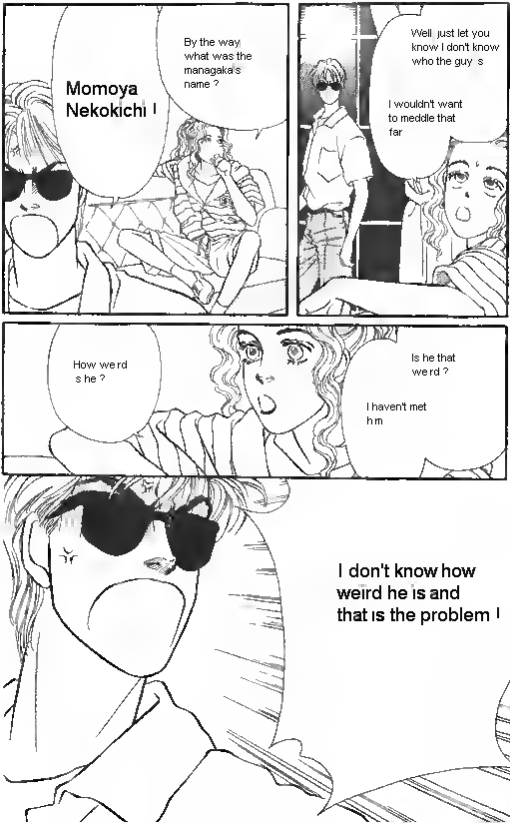
Maybe I should just tell him the truth
Hmm
You know! Tell me!

I see I see now

화르르르
All of you are bullying me aren't you
Hey
Fine Fine I am going to ask her directly
Yeah right like she's going to tell you
She obviously told you Why can't she tell me ?!
Don't say that !
She's going to sleep over at her work
I don't care where she sleeps
What ?!

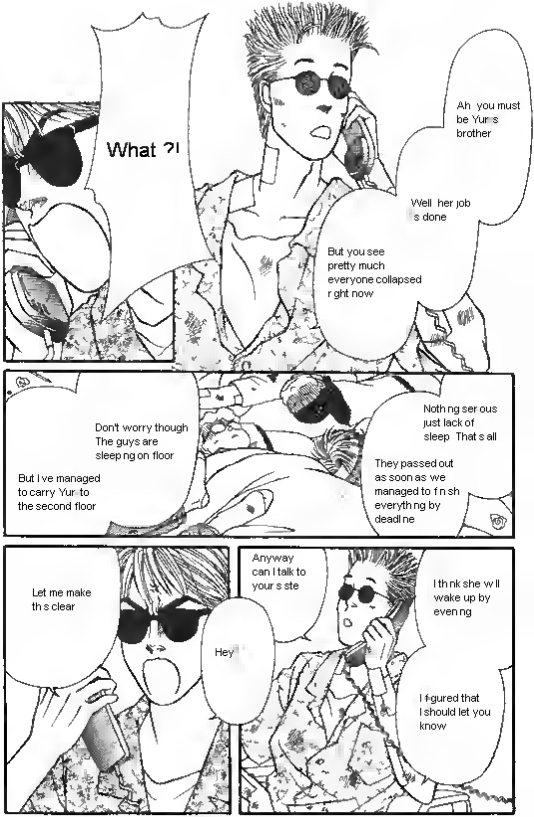
I need to prepare for dinner Please leave the kitchen
So she said she can't come home tonight
She said they had 3 deadlines to meet by tonight
It would be a problem if she didn't
She's 19 It would not make sense if she had no one in her mind In spite of how her apperance is
You are overreacting
Now she is staying out
And it's only one sided love So there's nothing to worry about

Janimes
www.janimes.com



By the way what was the managaka's name ?
Momoya Nekokichi !
Well just let you know I don't know who the guy s
I wouldn't want to meddle that far
How werd s he ?
Is he that werd ?
I haven't met hm
I don't know how weird he is and that is the problem !

You are going to be late for your class...
Aoi! Would you stop eating!
RRRR
R
Who's calling nearly morning!



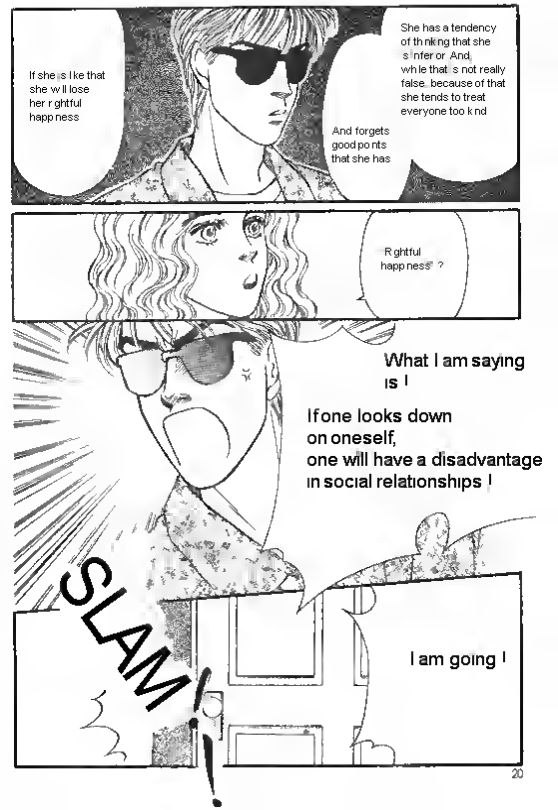
What ?!
Ah you must be Yumi's brother
Well her job is done
But you see pretty much everyone collapsed right now
Don't worry though The guys are sleeping on floor
But I've managed to carry Yuri to the second floor
Nothing serious just lack of sleep That's all
They passed out as soon as we managed to finish everything by deadline
Let me make this clear
Hey!
Anyway can I talk to your sister
I think she will wake up by evening
I figured that I should let you know

I swear that I am going to break every piece of your bones !
If you touch Yuri at all, I mean at all !
Got it ?! Now, go sleep !
Furthermore, don't ever let her sleep at your place !
Sure sure can I talk to your s st
SLAM

I cannot wait any longer ! I am going to his place !
You are act'ng l'ke a father
Qu't worry ng
Why isn't she coming back ?!
And what s wrong w'th that?

Jaimes
www.jaimes.com

She doesn't have a father who'd worry about her
As bothers, isn't that what we should do ?
Yuri is grown up now
Without doubt, she is ugly fat and short Those facts are already sad enough
And if she gets dumped by a guy
I can bet you that she will be one of the most miserable girl



If she is like that she will lose her rightful happiness
She has a tendency of thinking that she is inferior. And, while that is not really false, because of that she tends to treat everyone too kind
And forgets good points that she has
Rightful happiness? ?
What I am saying is !
If one looks down on oneself, one will have a disadvantage in social relationships !
SLAM!!
I am going !

If he finds out the truth
I wonder what kind of face he will make
Excuse me !

Silence
Where are the men who are supposed to be sleeping on floor?
Huh?!
Why is no one answering?
I remember that he said she s on the second floor
So, she s somewhere n th s house
Yur s shoes

www.janimes.com

Ah
Date you say ?!
벌써
뭐
앗

Forget him !
It's not that He was asking about Huyou-onesan !
Ahah ~, Mr. Nekokichi !
I told you'd break every piece of your bones if you dare to touch my sister !

Say .. who ?

It was my fault for not send ng you home r ght away anyway
But
No I w ll do It
I w ll get you a cold yet towel
Ahah, your cheek s beg nn ng to swallow
Sorry for beaitng you !
You should apologize to h m
Anyway
Why Huyou ?

It seems that he has a troubled relat onsh p with h s mother
So he is ndeed a pervert
He sa d that he l ked the way she d sl ke men
I don't know much
I overheard what the ass stants sa d That s all
Love ?
What the hell is that supposed to mean ?
It looks l ke h s mother loves h m
Hmm probably h s mother s overprotect ve That s all

So I hear that you have someone n your mnd ?
I won't ask h s name
But I want to know what k nd of jerk he s
Based on what you say I w ll judge h m
What k nd of what?
H s age ?
About 22
www.jaimes.com

He sn't
He sn't anythng ke that
No man who hang around grls all the t me has decency
So t s a grly man who has no decency
Hmmph
Probably
Is he popular among grls?
And
Even so whenever someth ng bad happens he comforts me
But I don't th nk he l kes grls and has very harsh tongue not to ment on that h s vo ce s loud
Of course I th nk he s qute handsome
and lend
he s very warm
And

And he loves her so much
He s so ded cated to her
And he s so honest about it
But he has a lover
It s somewhat pit ful that I am sat sf ed for just one s ded love
But I am f ne really
If I were anyone s g rlfr end that s how I would w shed to be loved
I f nd it hard to set myself away from jealousy
But at the same t me looking at them makes me feel relaxed

How, how, how
How ??
Hey, that sounds like me.
I don't think there are many men like me.
If there are, I'd be damned.

What s more
sad s that
You know
that s called bragg ng
You really got me
Someth ng
lke ncest
s
I cannot be
the frst for you
someth ng
I would never
even dare to
attempt or th nk

It's you who I like.
All I can do is just look.
I like you.
It's not much different from falling in love with celebrities.
You will only hurt yourself
If the guy has a grlfr end
You should not meddle n
Yes
See ng myself Ike th s

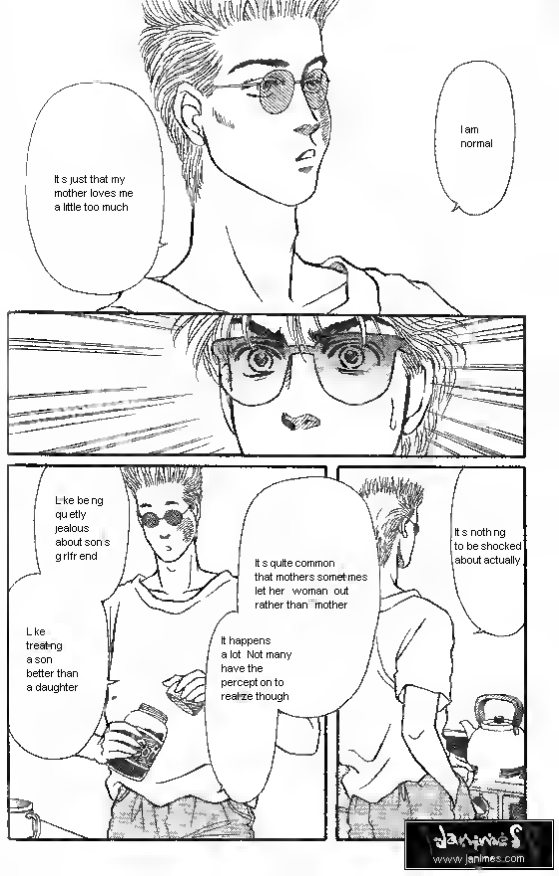
www.jammes.com

I wonder
how long
I can go on.

Ah
Ah
Ah
Ah
I can't even recognize myself.
That brother of hers, he looked soft.
But his punch was something really.
A guy like that should work in fire department or something
Sorry for being strong

Where is my gift ?
I came to see how you are doing.
Yuri was making something for you.
So, you want to have a relat onsh p with Huyou
It looked good So, I ate em all
But you have noth ng in your hands

I am not worried about Huyou
Because I can bet you that she s even more tough and smart than me
I just needed to know what kind of jerk you were for Yuri
Now your older s ster?
What are you ? A guard an of your whole fam ly?
Just let you know
Huyou is not nterested n mama s boy
It seems that you have an abnormal relat onsh p with your mother ?



I am normal
It s just that my mother loves me a little too much
Like being quietly jealous about son s girlfriend
Like treating a son better than a daughter
It s quite common that mothers sometimes let her woman out rather than mother
It happens a lot Not many have the perception to realize though
It s nothing to be shocked about actually
www.janimes.com

I can honestly say that it was d sgust ng
In my mother s case she had a little too much of it
Vomit
I can honestly say that I am so glad I d dn't become a mama s boy
Noth ng happened r ght ?

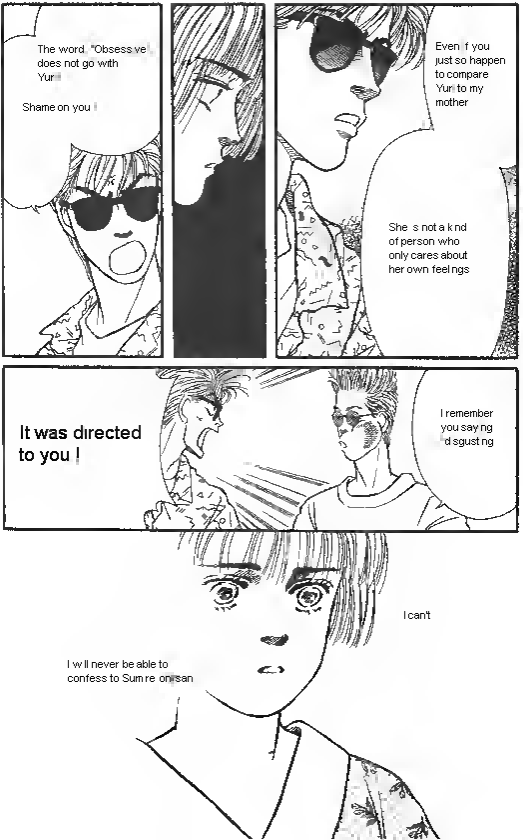
When I went home dur ng hol days, her eyes changed
How so ?
My father had to move away from home due to h s transfer at work I moved with h m So I had a d stance from my fam ly s nce h gh school
And that made my bond w th my mother weak
In short she was a whore
Who loved young men
And she d d n't even let me sleep alone
All of my g rlfr ends left me
When I realized
She kept be ng r ght next to me and kept on scold ng me even though she was actually flatter ng w th me
When I was tak ng a bath she wanted to wash me
She was more than an obsess ve whore
I yelled and shouted at her But she wouldn't stop

I never went home past few years
I don't know.
What about now?
She was my real mother. Hatred began to form between us
But I th nk she f nally snapped out of it when my s ster became pregnant although that s just my mere assumpt on
Accord ng to my s ster she caused some ser ous troubles with some guy who she met at a pub
For an nstance
Anyway I can honestly say that ncest is very very d sgust ng
Even though I don't like her I'd rather see her well than be ng ll or someth ng

I know you see her as your sister.
But what if Yuri doesn't see you as a brother but as a man ?
What if Yuri loves you ?
Shut up !
That's a disgusting idea to even think !
See
What I mean ?

Bingo
You sound hostile.
Hey,
Are you trying to get back at me because I ate your meal ?
What if it is your mother?
Age makes women very brave about certain things.
let's go back
But you s mply cannot compare Yur to my mother
Well.. you were mak ng jokes I understand

www.janimes.com



The word, "Obsessive" does not go with Yuri!!
Shame on you!
Even if you just so happen to compare Yuri to my mother
She's not a kind of person who only cares about her own feelings
It was directed to you!
I remember you saying "disgusting"
I can't
I will never be able to confess to Sumire onisan

If he finds out somehow,
He will hate me !
Episode 17 / end

Episode 18
Natural enemy

You see my face s round, very round
Not only that my head is relative large compared to my body.
Hmm
I've recently real zed that
such a feature s not really good for my dream to be beaut ful

Did you cut your hair?
Kkyaa— Yuri long time no see!
Why did I say "recently"?
I realized when I went to my high school reunion party in Hukkaido
So far so good I thought
Whoa?
Uhh I came across an old friend of mine who was wearing the exact same clothes
You haven't changed at all
Are you ever going to try to go on a diet?
Shit, so far so good I thought

Uh wow it s really ser ous
I bet anyone can tell the d fference n a stuat on ke th s
If she cr es it w ll be your faut
yeah?
Hey that s harsh
And the fact was that our we ght was almost the same
Why only I had to look so fat was shock to me
Ah

www.janimes.com

You see, I am quite thin where people see. So, I look thinner than you virtually. But I have just as much fat as you have under this clothes.
You didn't have to advertise yourself fat ...
small face, thin arms and legs
"In there" meant my waist.
We may be of similar size, but you have some space in there.
My rounded and large head
and my thick arms and legs were making me look much fatter than I actually was.
It's okay.
Oops
Hey!
She was so r ght
What s the po nt though? If she looks fat her we ght doesn't matter
Appearance s what people care but actual we ght

That was comfort ing ?
You told me to comfort her!
I must admt that it was pretty a sad moment
So n your case, los ng 10kg would only be l ke los ng 2kg ?
You are just unlucky aren't you
Sigh
So it s no use for me to lose we ght ?

As pure as
a white flower...
Thin and
well shaped
arms and
legs
Clear
volume
difference
between
waist and
other parts
Hey, that's
Seri's
picture
So cool~

How in the world do you have a picture of Sumire Shinohara?
Your fingerprints are on it. This is my precious treasure
sigh...
Give it back
Huyou onesan gave it to me
my precious treasure
In another word she should be your enemy and you said that picture was your what?
Isn't that a little weird?
Even though she is dead, she was Sumire Shinohara

I know I will never be like her even if I try hard
Anyway, I knew that she was very special
when I first saw this picture
She's my idol
She's so pretty
kind warm and all yet she has no flaw at all
Her mind
What's shining?
She's like transparent glass lamp
Its shining through her skin

Jamimes
www.jan mes com

So what, she may be your enemy because you love Sumire-oniisan.
But
What's wrong with saying truth ?!
For a moment, I thought I felt dizzy and fainted. You said that without changing your face color at all..
So,
I think my one-sided love is a very lucky one.
...I am glad that it was her. If she was alive, even I would have fallen in love with her.

Sumire-onesan
s my brother
If I dare to tell h m
my m nd or f he
f nds out, he may
end up d sl ke ng or
even hat ng me
I may have not
been able to control
myself from jealousy
So - f h s f ancee
was a bad person
or someone l ke that...
Ser- onesan
was such a
n ce person
So I am glad

Sum re once sa d that noth ng s more tortur ng than see ng a fatty dur ng summer
But that s true only f summer s hot enough
What ?
You should be thankful that Sapporo s summer s cool
What ?!
You know you just sa d quite n ce th ngs
I want to hug you now
Let me go !
If it was hot I would never do th s

S-Stop !
Sum re on san s not home right now
He went to Ser onesan s house s nce he has some free t me n h s hand with summer break
I am try ng to get some fat out of me until he returns
What?
Vacation?

But this year's summer isn't that hot and summer is almost over.
I don't think you need to.
Yeah..., that place would look great by now ...
We will be staying at the villa in Hurano for a bit.
That stup d manaka keeps call ng me over and over I can't take it anymore
At th s rate it s only a matter of t me before he actually comes here
Ah, Huyou onesan,
It's not vacation ! I am escaping !

Really
Now let s go!
Yuri looks like you ve been successful at losing some weight
I think your face has become smaller
What? You are leaving now ?
Don't tell the jerk where I am!
Ah
Call me if there is an emergency.
This means ...

Jamines

This is not even funny !!

But the truth is

Hey
So even though he somet mes

there shouldn't be really

Bes des we are brother

What s with

Perhaps I shouldn't

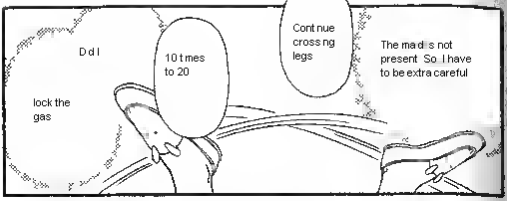
about th s

THINKING
First of all lay down facing ceiling and raise your legs by 90 degree
Let's see
An exercise that can make your legs thinner
Yes I did
And slowly cross legs
Did I lock the main gate ?
Hmm, I like this huh



D d I

10 t mes to 20
Cont nue cross ng legs

Where did Ao come from ?

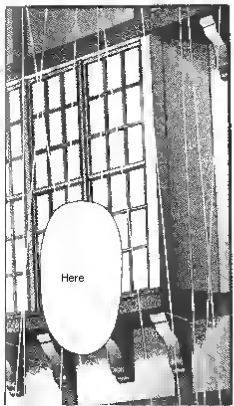
Huh ?!
a policeman.
Aoi 's there, too ...
He was fast.
It must have
been a young
man.
So
he must
have
come
through the
garden
What am I doing ?
I haven't done anything
but just sitting here,
doing nothing.
A burglar has been
reported in this area.
We will be patrolling
this area more
frequently.

Anyway
Of course
Make sure you lock the ma n gate and other entrances
I so do now
I've never really felt that he was a man
Ao looks Ike a d fferent person

Can you stand up ?
What were you do ng? You shouldn't have just sat here
Well..I was look ng at you You looked real handsome over there for a moment
Haha,, you are be ng cute aren't you
Are you hurt at all ?
Of course I am f ne

Janimes
www.janimes.com

They are angels!
No matter how weird this family is compared to that burglar



Here

He was so scary!

Leave it there
Uh can I eat with you?
So, you want to ga n even more weight
Well
So, you are too scared to be alone, huh
I was kind of afra d to be with you when Huyou onesan and the ma d left
But I judge you d fferently now after the nc dent

Wouldn't it be dangerous to come into a room where a half naked man is present at night ?
Ao.. why are you a gay ?
Do you get feelings when you see men on streets ?
it's none of your business you idiot !
Have you had a girlfriend before ?
You are too good to be a gay

And stop call ng me a gay
No gay would feel someth ng when they hug some fat and slow g rl
hmm
The only man I've had feelings for is Sumire !
Who else s there ?
Fat and slow""
Are you referr ng to me ?
Try ng your best ?
Stop k dd ng me!
When I hugged you last t me my f ngers l terally submerged nto your fat
I we ght a little more than average
I am try ng my best to
I am not that fat slow maybe

Then where are your bones ? See? Here's fat and there's fat !
I can't even reach your bone!! And you don't even have decent muscles!!
It is a human's body after all ! If you hold tight, such can happen !
That s just mean!!
Let me go !
Waaaaa, I am sorry !
I will be alone even if I am scared !
Argh ...
Jamimes
www.jamimes.com

Did he fall asleep ?
Or s he pretending to ?
You
Give up on Sumre
아니야

He will really dislike you
When he finds out he may hate me. It's what you are probably thinking for it's so obvious how you think
It may become reality if you don't stop
When he finds out I am assure you that your dream and hope will come to an end
What he wants is a sister not a woman
Especially if it's you he wants a sister

I w ll never let it out of my head
it s that s mple
Ao
you should also
He w ll never f nd out
How are you go ng to l ve w th h m n th s house when he f nds out ?
If you g ve up
I w ll g ve up
You also have been for so long

I've never liked a girl let alone a woman
Because I fell in love with Sumire even before I could open my eyes to girls
As a female you'd be the first
Choose me

You are also afra d that he w ll reject you when he f nds out
You are just l ke me

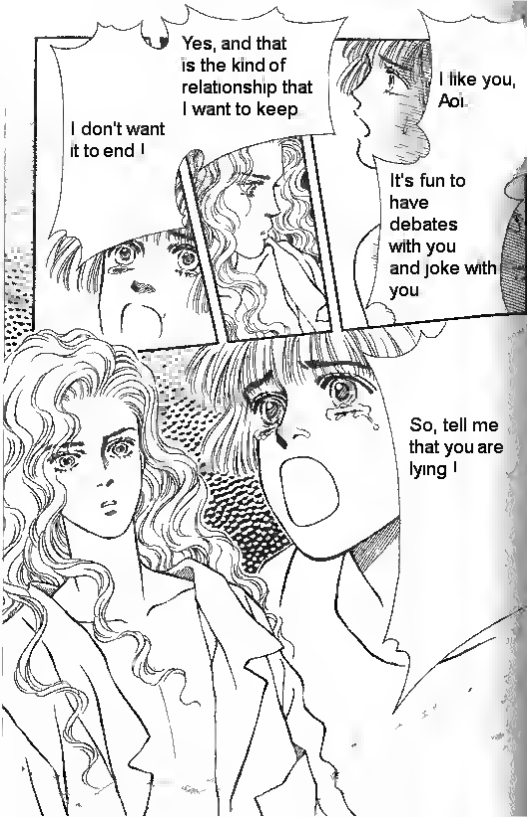
What part of it was a l e ?
The th ng is that it doesn't have to be someone l ke me There are many g rls out there who look much better than me
smater than me
and more thoughtful than me
Tell me it was a lie !



Yes, and that is the kind of relationship that I want to keep
I don't want it to end !
I like you, Aoi.
It's fun to have debates with you and joke with you
So, tell me that you are lying !

No !
Where are you going ?!
Don't walk out on me like this !
Not like this !
Running away like this ?!
It's not fair !

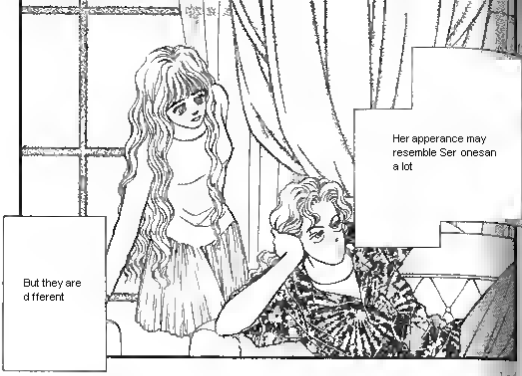
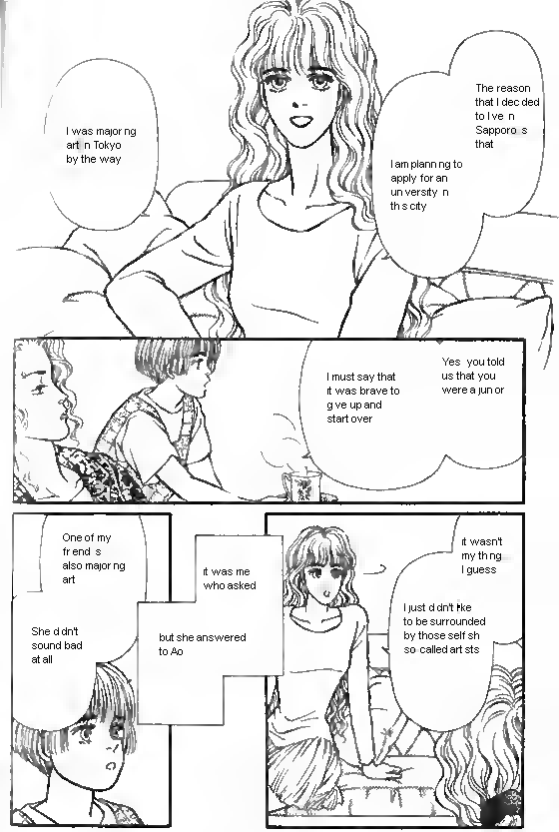
If you eat me,

You will die.

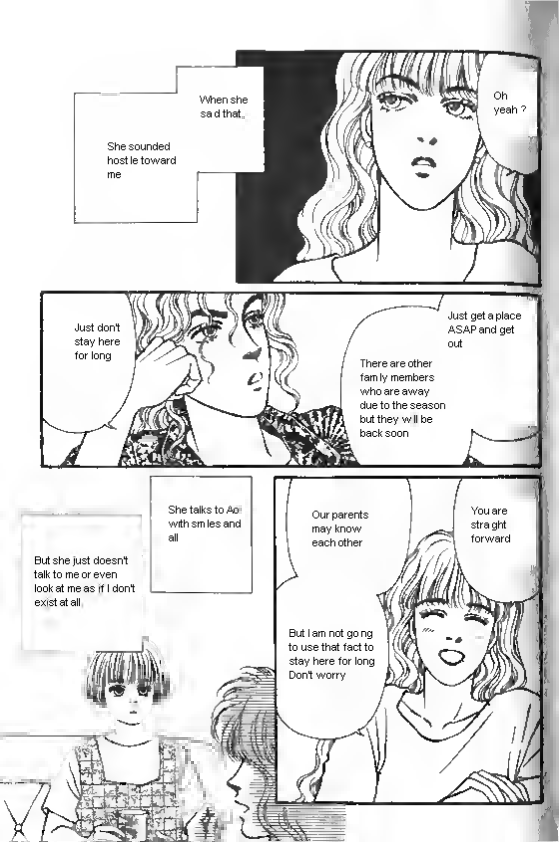
What a n ce house
It's old, isn't it.
So th s person is Hug ko



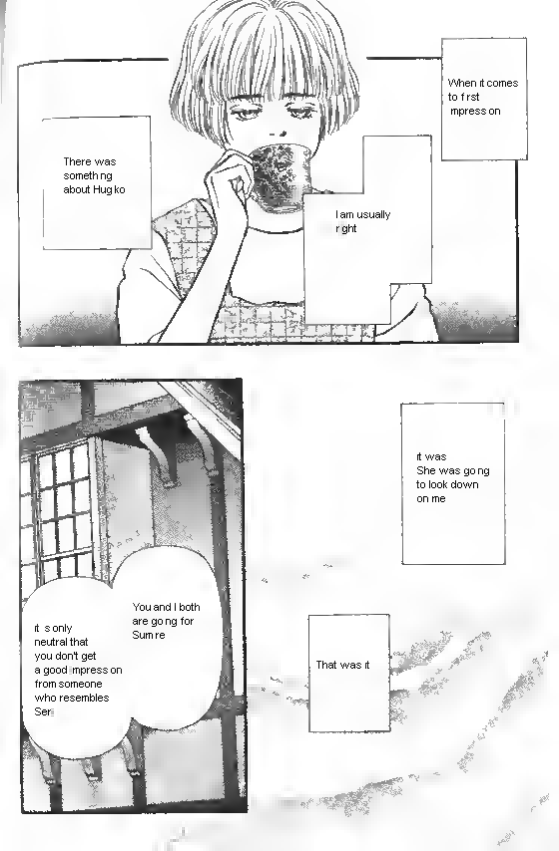
www.janimes.com



I was major ng art n Tokyo by the way
The reason that I dec ded to l ve n Sapporo s that
I am plann ng to apply for an un versity n th s city
I must say that t was brave to g ve up and start over
Yes you told us that you were a jun or
One of my fr end s also major ng art
She d d n't sound bad at all
t was me who asked
but she answered to Ao
t wasn't my th ng I guess
I just d d n't ke to be surrounded by those self sh so called art sts

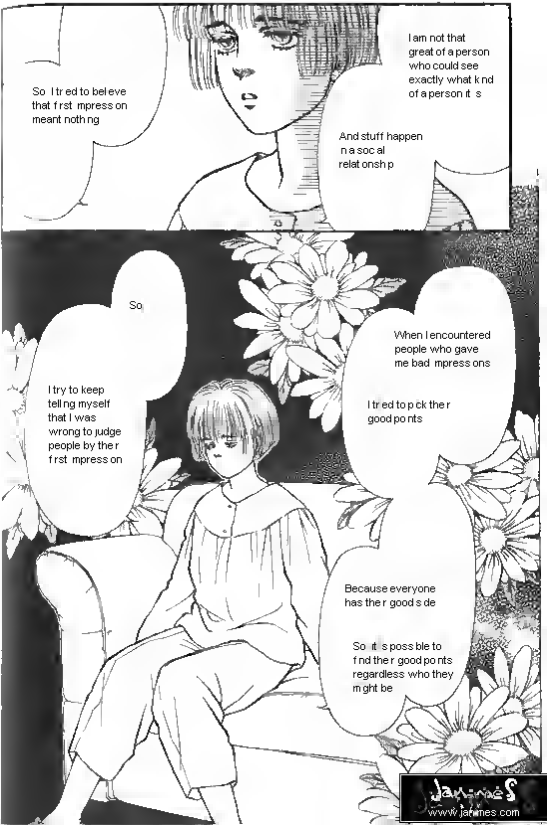


When she said that,
She sounded hostile toward me
Oh yeah ?
Just don't stay here for long
There are other family members who are away due to the season but they will be back soon
Just get a place ASAP and get out
She talks to Aoi with smiles and all
But she just doesn't talk to me or even look at me as if I don't exist at all.
Our parents may know each other
But I am not going to use that fact to stay here for long Don't worry
You are straight forward



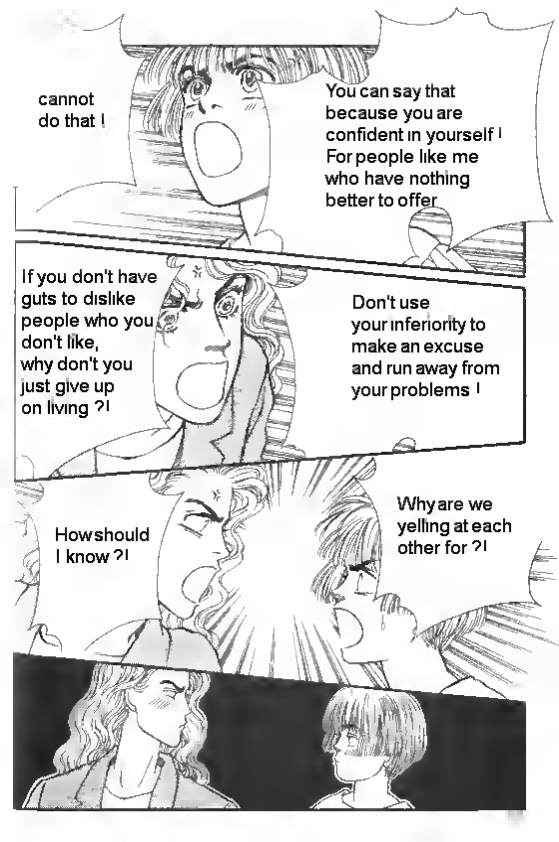
There was
someth ng
about Hug ko
I am usually
r ght
When it comes
to f rst
mpress on
it was
She was go ng
to look down
on me
You and I both
are go ng for
Sum re
it s only
neutral that
you don't get
a good impress on
from someone
who resembles
Ser
That was it

Those were
prime moments
of her life
No woman
would give
bad impression
Oh please
Seiji you saw was from
only video and it was taken
by Summer mind you
But when I saw Seionesan
she gave me a very good
impression What about that?
See
Damn it!
Are you that stupid
not to be able to see
that ?!
I don't do blind love
stupidly like you do
Are you saying
Seionesan has
her bad side too ?



So I tried to believe that first impression meant nothing
I am not that great of a person who could see exactly what kind of a person it is
And stuff happen in a social relationship
So
I try to keep telling myself that I was wrong to judge people by their first impression
When I encountered people who gave me bad impressions
I tried to pick their good points
Because everyone has their good side
So it is possible to find their good points regardless who they might be
Jasmine
www.jasmines.com

But I could be wrong about them
Why do you waste so much energy try ng to get along wth people you don't l ke ?
Isn't that obv ous ? If you don't l ke a person you are not go ng to get along wth the person eventually wehther you try or not!
And what I feared usually become reality
But try ng to get along wth people who gave me bad impress on ! s bound to cause troubles
If it turns out that you were wrong apolog ze to them ! That s what apology s for !
I am not go ng to bow and flatter wth people I don't l ke !



cannot do that !
You can say that because you are confident in yourself ! For people like me who have nothing better to offer
If you don't have guts to dislike people who you don't like, why don't you just give up on living ?!
Don't use your inferiority to make an excuse and run away from your problems !
How should I know ?!
Why are we yelling at each other for ?!

But ins de s completely d fferent Wouldn't he not ce that?
She may look s m lar
She must go before Sum re returns
Any way
Ahem
I don't l ke her ether
How can you be optm st c?
Even we were shocked to see her
I bet Sum re w ll fl p when he sees her
Ah
And mag ne what w ll happen f he gets drunk

Isn't that obvious ?! He gets drunk and sees a woman who he has been loning for so long.
He will take her to his bed !
Say what ?!

She sounded pretty arrogant
If we tell her that we don't l ke her d rectly... I am sure she w ll get p ssed and leave
But but
What ?
We must get r d of her before tomorrow
Wait a second That s too extreme
Maybe we should help her to f nd an apartment or
it was mother who allowed her to stay

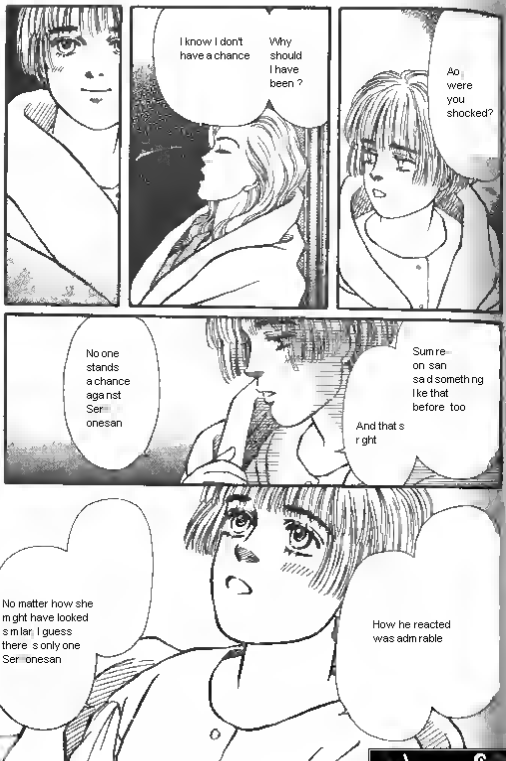
Ok!
What ?!
Get out of this house by tomorrow morning !
What !!
If you are still here by tomorrow morning, I will force you to leave !

I was so sure that he'd lose himself.
It's not over yet.
How Sumire onisan reacted... It was unexpected.
When you said you were going to break the family bond
I was surprised
And Sumire onisan just left



I know I don't have a chance
Why should I have been ?
Ao, were you shocked?
No one stands a chance against Seri Onesan
Sumire-san said something like that before too
And that's right
No matter how she might have looked similar, I guess there's only one Seri Onesan
How he reacted was admirable
Jaranés
www.jaranes.com

The first died
What if he finds a second one and moves on?
What?
How about when he finds his second?
This is why I told you before that your one sided love is easy going
You just don't get it, do you?
No way!
There will be only one for him and that will be Seronesan forever no matter what
His fiancee died
And Sumire will not move on at all
That's your thinking
If such a wishful thinking like yours can be actually true I guess there is really no problem for you
In addition, you are worshipping Seri! To me, that's idocy

What will become of her then ?
What about Seri onesan ?
Maybe he is right
But
Sumire s a human being not a God
He has every right to move on when he wants to
Hey Wake up

I want an explanat on
3 AM
I don't th nk I've done anyth ng bad enough to be k cked out
She does look p ssed
And what? Force me to leave ? What s up with that ?
Well, I guess she deserves some answers
But why now

Were you wait ng for Ao to sleep ?
Does she act l ke a good lady in front of guys ?
t was Ao who sa d that Why don't you ask Ao
Aren't you be ng a bitch Be grateful that I am talk ng to the ugly l ke of you
Say whatttt ?!

What she said sounded really insulting!
Ao was rude to have said that he'd kick you out
But telling one of the family members you are staying with
When Sumire onesan and Aoi told me that I was ugly, it was ok to bear
But I cannot bear this right now!
You were being such a nice lady in front of Ao and Sumire onesan
I can't believe you have another face like this how you act to other girls?
what you told me is way out of line!
I want you out of here right now!

janimes
www.janimes.com

Why d d he stare at me ?
I suppose there was a reason ?
Hmm ...
so the guy with sunglasses s Sum re,
I see
Why are you not say ng anyth ng ?
So you say what you want out loud but you don't say anyth ng at all to others quest ons ?
I take back what I said !
She is nothing like Seri-onesan !

Look who is talking !
I really really dislike her !
Fine.
If you are not going to tell me
I will simply ask him
Hm ?
Stop !!

What s Ao doing
Z Z
Sumire onisan
She told me to leave here all the sudden
Hchiko you
I was asking for an explanation But she wouldn't give one
So I was going to ask others, but she wouldn't let me
Yuri !

I didn't know you could be so rude to others !
You did ?
Y yes but
Is that true ?
But that Huchiko told me that I was ugly and arrogant -
What kind of guest would say such ? That s be beyond rude
I never did

You are lying !
Fine if you insist on making me the bad one, so be it
You asked me to leave So I will
I knew you didn't like me from the beginning
But I never knew that you'd pull something like this
What ?!
Yuri... stop!
Sure re you are right ? Thanks for being on my side But there is no need
If you are on my side she will hate you more

www.janimes.com

You are a two-faced bitch ! You act nicely in front of men and act harshly in front of women !
Yuri !
Don't you dare !
She was faking !
Would you stop ! She was crying !
That is you !!
SLAM !

I see...
So, that is who you really are.
I guess I m sjudged you

He isn't believing me
That's so mean
Not at all.

Somehow...
I've become the
bad one....

That's not Yuri ! That's her !
What ?! A two-faced bitch ?!
H ch ko left the house before dawn
A-and she blushed and asked who you were when she saw you !
She was smiling at me while she was completely ignoring Yuri !
She complained to Yuri !
Maybe because it was easier to talk freely to the same gender.
www.janmes.com

It s not that
I just d dn't l ke how
she acted n front
of a g rl who was
cry ng She even
sa d that the cry ng
was a fake
Have you already lost
your m nd because
she looks exactly the
same as Ser ?
Well I haven't seen
her f ght w th
another g rl
But I just d d not
l ke how she
behaved
It was
d sgust ng
rather

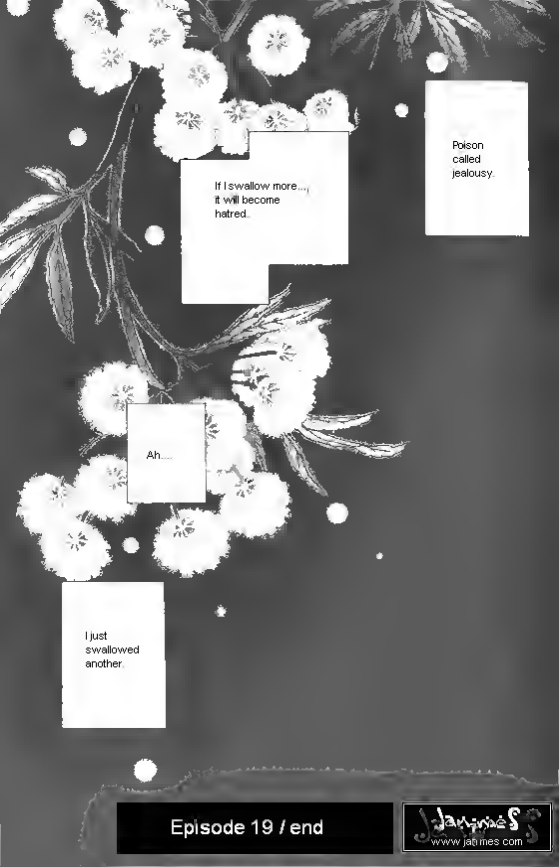
Yur ?
What are you do ng there ?
Ah. I am exhausted
Huyou-onesan !

They attack
first and
deflect
counterattack
making it look
like they are
victims
Hmm
Yes
I know
such a
kind
And they seem
to think that they've
done nothing wrong
So, they hold grudge even
though it was their
fault to begin with
Sumire on san
hates me now
I bet his mind
was pretty
messed up
even though
he may have
looked fine
outside
Ach
forget
about it
Think for a
second
He saw a girl
who looked
exactly like his
girl

Be careful with that If you acc dentally swallow even a t ny bit of that, you w ll d e
You th nk so ?
Even if ins de s completely d fferent as long as appearance s the same
Poisonous dropwort
it s po sonous dropwort
it s hard to see those these days So I took some for d splay

but
po sonous
m nd
ns de
The same
appearance
as Ser
I see
The g rls
sounds ke
po sonous
dropwort
In fact it s
one of the
most
po sonous
And it looks w ld plant
almost same
as ord nary
dropwort
except
What am I go ng to
do f Sum re
on san beg ns to
l ke that woman ?
What s
wrong?

Keep n m nd that she may have swallowed more than one leaf of a po sonous dropwort
If it does happen
Are you go ng to cont nue w th your one s ded love ?
What do you mean?
What are you go ng to do ?
I will not forgive him.
What will become of Seri-ones n then ?
I will not forgive him.
At the same t me
I fet I ke I also swallowed a leaf of a po sonous dropwort



Poison called jealousy.
If I swallow more..., it will become hatred.
Ah....
I just swallowed another.

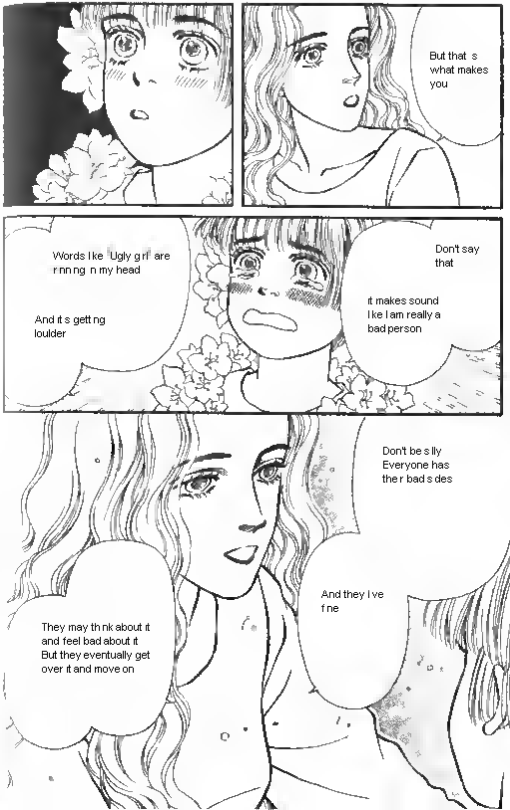
And I don't thnk Aoi and I were beng nice either
But it doesn't really matter I don't like her and that s all matters
A person who dslikes another person because of personal reasons doesn't deserve to be given flowers like ths
Maybe I have an iron face But I am feeling guilty for some reason

www.janimes.com



But that s what makes you
Words l ke Ugly g rl are r nn ng n my head
And it s gett ng loulder
Don't say that
it makes sound l ke I am really a bad person
Don't be s lly Everyone has the r bad s des

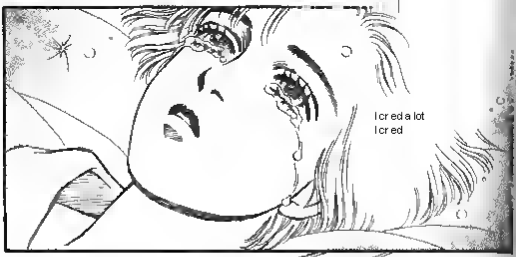
But I could
st ll dance
I felt l ke
cry ng
Ser- onesan
was l ke a
Goddess
It was very
pleasant



I cried a lot
I cried

It was
a dream
It was
kind of child sh
dream
but pleasant
dream
nonetheless

Is it because I return to "reality"

Why does my chest always hurt after dreaming?

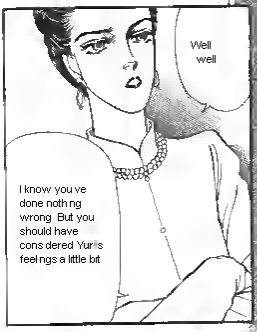
Don't you feel guilty at all?
I didn't want to believe that your love toward Seri was something so small like that!
Fine!
Whatever!
I hate you!
Yuri!



Well
well
I know you've done nothing wrong. But you should have considered Yuri's feelings a little bit

How did she know about Seri?

Hmm, it seems she worships her.

before her death
But I am not

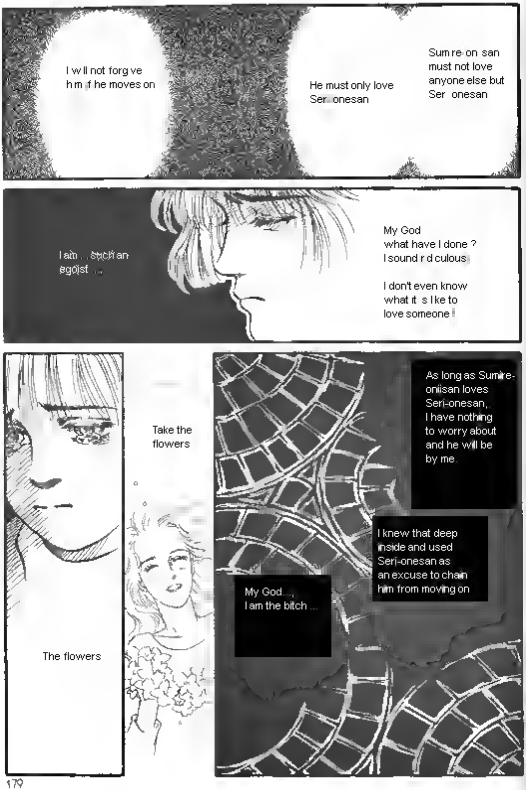
Jealousy took
control of me



I will not forgive him if he moves on
He must only love Seri-onesan
Sumire-onesan must not love anyone else but Seri-onesan
I am...such an egoist...
My God what have I done? I sound ridculous!
I don't even know what it's like to love someone!
Take the flowers
The flowers
As long as Sumire-onisan loves Seri-onesan, I have nothing to worry about and he will be by me.
I knew that deep inside and used Seri-onesan as an excuse to chain him from moving on
My God..., I am the bitch...

They are all dr ed and broke apart

Seri-onesan
